

"To give others the experience of music"

Instruments wanted

TEMPO is starting term 1 of 2017 and we need instruments. TEMPO allows students aged 5-18 years who don't have an opportunity to play music to give music a go. The instruments must be in working order and come with all of their pieces, ideally with a case or similar.

TEMPO is a not for profit program that gives children aged 5-18 years old access to music. Not everyone in the local community has a chance to play music due to different reasons. This program brings the joy of music to those who really need it. A ten week program will start on the 1/2/17 with an information session where you can secure your participation in this program. An eight week lesson plan will take place from the 8/2/17-29/3/17 and on the 3/4/17 a community concert will take place where you can see the amazing improvement of the students. All lessons, information session and the concert will take place in the Innes Lake Community Centre.
